Dear Sirs:-

The proofs of the four plates you are doing for us at Miss Baldwin's order have arrived, and as far as we can see are without criticism. Please go ahead and complete this order and ship to us at the above address.

We note however, that the paper these proofs are printed on is not quite the same as that used in the chronicle, which is the paper we want. Of course if it is impossible on account of the war, or for size in cutting, to use this paper, that you are using will do.

We remain,

Very truly yours,
